

## DAMAGES FOR TRACK-CROSSING

Commissioners of Norfolk County Assess the Tidewater for Crossing N. & W.

## MATTER OF PUBLIC POLICY

Construction Work on the Tidewater Being Pushed With Great Energy.

(Special to The Times-Dispatch.)  
NORFOLK, Va., July 30.—The commissioners appointed by the Norfolk county Circuit Court to assess the damages which the Tidewater Railroad should pay the Norfolk and Western Railroad for crossing the Norfolk and Western tracks in South Norfolk have awarded the Norfolk and Western \$3,000.

The Norfolk and Western demanded \$25,000. The Tidewater offered to pay \$2,500. In its bill of damages the Norfolk and Western set out the cost of shifting cars on its yard incident to the crossing. The commissioners ruled that public policy demanded that the crossing be made, and that the Norfolk and Western is only entitled to such damages as it may directly suffer as a result of the crossing.

Construction work on the western end of the Tidewater is not nearly so far advanced as it is on the eastern, and much of the material for the bridge is now being devoted to building the road in the east will be transferred to the west.

The road is completed from the Jamestown Exposition grounds and Norfolk to Suffolk, and the material for the bridge construction work is now being delivered over the road.

## HANDS RAW WITH TERRIBLE ECZEMA

Suffered for Ten Years—Spreading to Body and Limbs Despite Efforts of Three Doctors—Another Remarkable and Speedy

## CURE BY THE CUTICURA REMEDIES

"I had eczema on my hands for ten years. At first it would break out only in winter. Then it finally came to stay. I had three good doctors to do all they could, but none of them did any good. I then used one box of Cuticura Ointment and three bottles of Cuticura Resolvent and was completely cured. My hands were raw all over, inside and out, and the eczema was spreading all over my body and limbs. Before I had used one bottle of Cuticura Resolvent, together with the Ointment, my sores were nearly healed over, and by the time I had used the third bottle, I was entirely well. I had a good appetite and was fatter than I ever was. To any one who has any skin or blood disease I would honestly advise them to get the Cuticura Remedies and get well quicker than all the doctors in the State can cure you." Mrs. M. E. Falin, May 19, 1905.

At the point where the street car and Southern Railway tracks intersect the rains had washed down a great mound of sand and rocks, making traffic impossible for some time.
